Appendix 1 – Track List

Artist / Band:

Please list the tracks you would like to submit to the radio for possible airplay. Final approval will only be granted after the radio has reviewed the information and will be documented internally.

Track / Title	Release / Date	ISRC (if available)	Rights Notes

Field guide:

Track / Title: Enter the exact title of the track.

Release / Date: Enter the single or album title and/or release date. If the track has not yet been released, please indicate this.

ISRC: Enter the code only if one is available. Leave blank if you do not know it.

Rights Notes: Please mention any known relevant details, e.g. label or publisher involvement, co-writers, samples, licensed beats/loops, or other rights holders. If none apply to your knowledge, enter “No known special circumstances”.

Important: Listing a track here does not automatically authorize the radio to broadcast it. Please use the Rights Notes field to disclose any known rights-related details. The radio will review the information and document its approval separately.

Submission of New Tracks

When submitting new tracks, the radio station may be authorized to complete this appendix on the artist's behalf.

The following email template may be used:

Subject: New Track

Artist:	[Name]
Track Title:	[Title]
Release Date:	[Date, if available]
ISRC:	[If available]

I confirm that I hold the rights required for the agreed web radio use of this track, or am legally entitled to grant the necessary rights, and that I am not aware of any conflicting agreements or third-party rights.

I request that this track be added to the existing artist agreement. The addition of the track is subject to review and documented approval by the radio station.
